## NEVER GROW OLD IN GLENDALE; HERE'S SOME EVIDENCE

Many People in City Who Are  
Past Eighty Years, Yet  
Appear Much Younger

Otogenarians—there are many of them in Glendale—those people whose good fortune it has been to travel life's journey for the past four score years; those who can recall three wars; and those who have watched the evolution of transportation from the ox-cart, the prairie schooner and the stage coach to the flivver, the Packard and the airplane.

Those of Glendale who are eighty or over are found to be busy. Some are trimming lawns, several are selling real estate, others are doing housework and many are pitching horseshoes.

"How do you feel at eighty years of age?" A representative of The Glendale Evening News asked five otogenarians this question and following are their answers:

**Mrs. Victoria A. Bloor**, 318 West Broadway—"I just feel splendid. Glendale is a most wonderful place to reside. I came here ten years ago. I shall be 81 years old next December."

**Casper Kellenberger, Sr.**, 356 West Colorado street. (He was just leaving the Glendale Horseshoe Club grounds and shrugs his shoulders when he thinks how lightly age affects him.)—"Oh, I have felt better, and I have felt worse. I have a slight cold now." Mr. Kellenberger was 80 years old the 24th of last August.

**W. E. Borthick**, 206 East Elk avenue. Mr. Borthick was found in his realty office, 244 South Brand boulevard—"I feel just as young as a boy. I am still in the office doing business and I expect to be for some time yet. I think it is because I have always been active that I feel so young. I have never been out of a job in all my life. Just celebrated my 82nd birthday last Wednesday, after being in the office during the day. I had a birthday party that evening."

"I don't know but what I feel just as young as when I was 18. I remember that day. I went out and killed a buffalo to celebrate my birthday. Three other fellows and I went out between Fort Carney and Denver, and I killed the only buffalo that day. Keeping active keeps one young I think."

**Mrs. Henrietta M. Barnes**, 1300 East Lexington Drive—"I feel as young as a girl, and I feel as though there is no place like Glendale to live." Mrs. Barnes celebrated her 84th birthday the sixteenth of last June.

**Mrs. Katherine Hajek**, 426 Burnett street—"How do I feel? I am very well. I miss my home state at times, but it's a relief to get away from thunderstorms." Mrs. Hajek was in her 81st year. She came here from Wisconsin last summer, making the trip by motor car.

## Valuable Trophies Will Be Given at Horseshoe Contest

W. H. Nichols, 322 East Fairview avenue, secretary of the State Horseshoe Pitchers' association, announces that trophies to the value of \$300 will be given in the horseshoe tournament which will be held here November 25 to 26.

Plans are now being made to take care of the large number of visitors, which is expected to be 500 and a well arranged program is being prepared. Mr. Nichols stated that an effort would be made to have the tournament held on the high school grounds as it is thought the Glendale Horseshoe club grounds on West Broadway are not large enough to accommodate the large crowd which is expected.

The fact that the high school will be enjoying its Thanksgiving holiday on November 25 and 26, may make it possible, Mr. Nichols stated, to get the grounds for those two days.

## All Interested In Athletic Club to Meet Again Tonight

The Glendale Athletic club will meet at 111A East Broadway at 7:45 o'clock tonight. Chairman L. E. Thompson announces this will be an important meeting and it is desired that those interested in athletics attend tonight.

The arrangements for the entertainment and benefit program will be discussed and the committee composed of Rex Randall and Walter Dodge will report. Final arrangements are also to be made relative to adopting the constitution and by-laws.

## MRS. J. F. LANGTON IS DEAD

## Miss Marion Addison Guest of Honor at Shower on Saturday

Mrs. Ella W. Richardson of 315 North Brand boulevard was hostess Saturday afternoon at a surprise party and shower, given in honor of Miss Marion Addison, who is soon to become a bride. Miss Addison was invited to the home of Mrs. Richardson by a very clever hoax, and when she arrived there she found a large group of her friends gathered together for a social afternoon in her honor.

A color scheme of yellow and pink predominated in the decorations, which included bouquets of chrysanthemums, cupids and hearts which were hung from the curtains and in other conspicuous places and also in the pink crepe paper which shaded the lights.

The gifts, which were many and varied kitchen utensils, were presented to the bride-to-be in a very unique manner. She was given a bobbin of yellow ribbon, which stretched through the living rooms and into the back yard of the Richardson residence to a table containing the gifts, and was given instructions to wind the bobbin and follow the ribbon.

Guessing games, vocal numbers by Miss Addison and piano selections provided entertainment, after which a social afternoon was enjoyed, at the close of which refreshments of ice-cream and cake were served.

Those present included Miss Marion Addison, Mrs. Thomas H. Addison, Mrs. Guy Morton, Miss Jeannette Abel, Mrs. W. F. Knox, Mrs. A. S. Graham, Mrs. C. E. Shattuck and daughter Gwendolyn, Mrs. L. E. Starkey, Miss Theo Payne, Miss Mildred Stanford, Mrs. C. C. Christy, Miss Eleanor Brice, Miss Josephine Emery, Miss Ida Waite, Mabel Todd, Mrs. H. F. Croft, Mrs. S. W. Brown, Mrs. R. H. Cates, Mrs. L. L. Payne and baby. Miss A. S. Goff, little May Starkey, Mrs. Charles P. Brice, Miss Wanda Emery, baby Virginia Lee Graham and the hostess.

## Spanish Troops Capture Zeluan, 'City of Dead'

LONDON, Eng., Oct. 24.—Spanish troops who have just captured Zeluan, Morocco, from the rebellious Moors, found it a city of the dead, said a Madrid dispatch to the Daily Express. There were more than 400 corpses lying in the streets and courtyards where they had fallen in the Moorish massacre at the end of June. Some of the corpses were mutilated nearly beyond semblance to human beings. The dead included a number of women and children. Three months' exposure to the intense sun had nearly mummified some of the bodies.

The inner court of the citadel where the garrison had made its last stand resembled a catacombs. The lifeless bodies of chauffeurs still hung over the wheels of their motor cars. Lorries were overturned with bodies pinned beneath them.

## Says Contraband Arms Are Smuggled to Irish

LONDON, Oct. 24.—Sir Hamar Greenwood, chief secretary for Ireland, denied in the House of Commons yesterday afternoon that "contraband arms were being smuggled into Ireland for the Sinn Feiners." Replying to the charge of Thompson Donald, a Belfast Unionist, that arms were being shipped into Ireland on American vessels, Sir Hamar said:

"The Admiralty and every unit of the crown forces are most active in preventing importation of arms. The government would regard importation of arms or drilling as a breach of the truce."

## Woman Files Suit to Coin Lent Politicians

## HARROWERS' NEW HOME SCENE OF SOCIAL EVENT

Members of Choral Society  
Entertained; Program Is  
Thoroughly Enjoyed

The members of the Seventh-day Adventist Choral society enjoyed a social evening at the beautiful new home of Dr. and Mrs. H. R. Harrower, East Broadway, Saturday night. Mrs. C. A. Brandstater, the president, occupied a few moments in a sprightly little speech of welcome and introduction, this being the first society meeting for some months.

Then followed a few well rendered selections:

Piano solo, "Under the Leaves" (Victor Staub), Miss Eva Hollingsworth.

Vocal solo, "O, Thou Sublime, Sweet Evening Star" (from Tannhauser), J. Elwood Moore.

Pianologue, "Legend of the Twilight," Mrs. C. N. Jones.

Solo, "I'll Sing These Songs of Arabia," and selections from "The Messiah," Dr. H. R. Harrower.

Piano solo, "The Last Hope" (Gottschalk), Miss Eva Hollingsworth.

Accompanist, Mrs. W. J. Johnson.

## Vacations Recalled

Vacation reminiscences participated in by nearly all present brought out many interesting and amusing incidents of summer travel by auto and rail. Dr. Harrower related his experiences while in Washington, his interview with the president and also the postoffice officials relative to Glendale's needs. Quite a variety of experiences in auto travel were given, varying from descriptive to despair, the latter applying when a party of three became separated from one another on the road to Bakersfield. However, all of the "sure enough" stories had a happy ending and their recital provided much merriment.

Preceding the program several items of business were disposed of in connection with which C. H. Jones, choir leader, gave an interesting lecture on transposition.

## Those in Attendance

Besides the genial host, Dr. H. R. Harrower, and his charming wife and daughter, those participating in the evening's pleasure were Dr. and Mrs. C. A. Brandstater, Mr. and Mrs. E. W. Dunbar, Mr. and Mrs. C. H. Jones, Mr. and Mrs. S. B. Johnston, Mr. and Mrs. Harris, Mr. and Mrs. Hartman and daughter, Orpha, Mrs. Elva Levery and son, Raymond, Mrs. A. T. Hopman, Mrs. W. J. Johnson, Mrs. O. Carr, Miss Helen May Steele, Hazel Carr, Eva Hollingsworth, Gertrude Talmadge, Letta Dryer, N. Green; Messrs. J. Elwood Moore, W. T. Strickland, G. A. Nelson, B. Vap Tassell, Kenneth Brandstater.

Refreshments were served at the close of the program. Dr. Harrower invited the society to meet next in his new business building on Broadway, the date to be November 19.

## Mrs. Parkinson Tells of European Journey and Northern Visit

Mr. and Mrs. W. K. Parkinson of 915 Mountain street have returned from a two-weeks' stay at their cottage at Newport Beach. Mrs. Parkinson returned about two weeks ago from a trip to Europe. The trip across the United States was made by automobile. Mrs. Parkinson was accompanied by her niece, Miss Bessie Rattagan of San Francisco.

Visits were made at Portland, Ore., where they played in the golf tournament. G. T. Peabody of Paso Robles and Mr. Parkinson then went on a two-months' trip to Seattle, Victoria and Vancouver. Miss Rattagan and Mrs. Parkinson and chauffeur then motored along the Columbia river highway and visited Mt. Hood. From Spokane, Wash., they motored to Yellowstone National Park. Mrs. Parkinson states that the roads in that part of the country are not like those in California, and that they are just beginning to improve them. After remaining at Yellowstone for about two weeks the party motored to Minneapolis and Duluth. From there they shipped the car over the Great Lakes to Buffalo, where they remained several days. From Buffalo the party motored to Rochester, shipping over the Thousand Islands into Montreal. The party remained there several days and then motored on to Quebec, where they visited the many places of interest. The next trip from Quebec was over the Adirondack mountains to New York City. The automobile was then shipped back to Los Angeles.

Among the places in Europe visited by Mrs. Parkinson were London and Paris. Mrs. Parkinson states that because of the large number of Americans in Europe that things seem quite lively and business resumption is going on. She was quite surprised at the apparent frivolousness of the Parisians, who never appear to be serious. Mrs. Parkinson also made a hurried trip over the battlefields. Other than for filling in the trenches and planting of crops little has been done in the way of improvements or replacing the ruined buildings. Much of the work which before the war was done by the men is now being done by the women.

Mrs. Parkinson stated that there is little difference in the prices in London and Paris and those in the United States. However, she says that friends she met in Europe told of the extremely low prices of things in Vienna.

## PEACE IN RAILWAY STRIKE NEAR, IS BOARD'S CLAIM

Every Reason to Hope Walkout  
Will Be Averted, Statement  
From Government Body

BY LUTHER A. HUSTON  
Written for International News Service  
CHICAGO, Oct. 24.—Peace in the railroad strike situation was prophesied in a statement issued today by the United States railway labor board.

"There is great reason to hope," the board's statement said, "that the strike will be averted." The words quoted are the first official sign of opinion from the board that there was a prospect that the strike scheduled for October 30 would be settled. Without giving its reason for so believing the board made it emphatically clear that it considered a settlement highly probable.

It was pointed out by the board that in the last dispute between it and the railroads, a half of the strike was settled by the board, which offered possibilities of a strike. It also was pointed out that in industries where strikes have occurred there has been no such tribunal as the labor board to intervene.

## Stop "Loose Talk"

The board announced it is anxious to get the present dispute out of the way so that "restoration of normal business may proceed."

"All good Americans," the statement said, "should refrain from loose talk and provocative utterances about the controversy now pending. Let the public assume that both parties are struggling to solve some of the difficult industrial problems that are the aftermath of the war and that all governmental agencies recognize the perplexities of the situation and are anxious to be useful in their solution."

## District Attorneys Meet

WASHINGTON, Oct. 24.—The government's offensive campaign to prevent a nation wide transportation tieup was launched definitely today when Attorney General Daugherty summoned to Washington United States district attorneys from five cities which would be hardest hit by a general railroad strike.

The district attorneys are: William Haywood of New York; Stephen T. Lockwood of Buffalo; Charles Clyne of Chicago; Frederick Van Nuys of Indianapolis and E. C. Wirt of Cleveland. They will go into conference with the attorney general at 2 o'clock today.

## View of Union Leaders

CLEVELAND, Oct. 24.—It will require substantial concessions by the railway executives far beyond anything they have thus far indicated a willingness to do, to avert the nation wide strike scheduled to begin October 30. This is the view expressed by union leaders here this morning after a series of conferences held during three successive days.

The defection of railroad unions affiliated with the American Federation of Labor has neither surprised nor worried the chiefs of the Big Four, according to all indications here.

## A. G. SPOHR MAKES STATEMENT ON RACE PROBLEM

Any Other White Man Would Take Similar Position, Druggist Declares

Editor The Glendale Evening News: Answering an article appearing in another paper recently regarding my purchase of a residence on East Colorado boulevard for a colored employee. I wish to state conditions just as they exist here, and give my reasons for doing what I did.

Understand that I am not trying to open any race question that is as old as time, but to make a long story short, I was trying to make a home for a man who has been in my employ for the last fifteen years, and who I know has a right to and deserves the same. His family consists of himself and wife.

I have driven all over the outskirts of Glendale and have gone to several real estate dealers and told them what I wanted and the conditions—to rent a place for him. These efforts were without success.

### Finds No Restrictions

I found on East Colorado street a small house next to a church. (A resident near there told me afterwards that was the reason the property was for sale). I told the owner what I wanted and he agreed with me in detail, and has since bought a lot less than half a block away to build another house.

On this street you will find garages, fruit stands and several different nationalities, and a little farther east there are colored people on the premises of one of our oldest and most respected residents, while only a few blocks away a colored man owned his own home and within the last month or so sold it because he was moving out of the state.

There are no restrictions on this street and I took it that I was acting within my rights and with no intention of infringing on the public or neighbors.

### No Committee Calls

The statement that a committee had called on me and that I had acted in a discourteous manner to their own interests is absolutely false as no committee has ever called.

These conditions exist in every community, in every town, and all cities, including our nearest neighbors. Why not offer some solution to such problems as they exist here, rather than condemn any citizen's actions who might within the law do the same thing? I believe any other white man would follow a similar course under the circumstances, and I do object to being misquoted or having the public base their conclusions on an article set forth as the one to which I have referred.

A. G. SPOHR.

## Dynamos Club Skate at Alhambra Enjoyed by Many Members

The Presbyterian Dynamos club "skate" at the Walhalla Pavilion, Alhambra, Friday night was the occasion of a "large time."

Amid the noise of adjusting the eight-wheeled conveyors to the unaccustomed feet, the dynamos orchestra sent musical vibrations through the air. Jo Rhodes, of the club, sang several solos, accompanied by Delmar Wheeler, official organist of the Dynamos club. Nathan Dial, music instructor of Los Angeles, sang to the delight of all. The last hour was given over to fancy skating and spotting of couples by colored lights. The music closed with "Home, Sweet Home."

Earl P. Hammond, president of the club, made several announcements. The social committee, under the direction of Wilbur Johns and Edward Smith, served sparkling punch.

Before those already mentioned, the following were present: D. L. Foster, Dynamos club superintendent; Miss Myra Johns, Orrin Barnes, Lloyd Culver, C. G. Farrow, Paul Edmunds, Clair Staley, Harold Majors, Alvin Brown, Charlie Allison, David Lynd, Don Price, Harold Sprague, Harold Jones, Charles Barnes, Herbert Brock, Arnold Jensen, Stanley Jones, Graham Tinning, Bill Tresler, Sam Tupper, Lee Warthman, Willard Goertz, Joe Maier, Harold Alexander, Roy Mason, Nathan Dial, Claud Evans, Carroll Evans, Joe Thompson, Dorothy Johns, Lynda Goertz, Mrs. Florence Wheeler, Hope Ireland, Louise Wimer, Alice Farrow, Mildred Thompson, Phyllis Baker, Eleanor Foster, Miss Warthman, Charlotte Winsel, Maurine Baker, Miss Taylor, Miss Blodgett, Grace Williams, Mary Gardetto, Agnes Caldwell.

## COMMENT THAT'S ALL

How Opinions Form  
Advertising Is Evidence  
Psychology in Selling  
Time For a Discovery

By G. A. Cowan

OTHERS' ideas bear out opinions of our own. In an address before the Kiwanis club in his home city G. F. Milton, editor of the Chattanooga, Tenn., News, said: "More strangers form an opinion from copies of newspapers than any other medium. No other form of publicity is so widespread."

"The mercantile announcements strive against those of other cities in their papers to bring buyers here. They are important factors in the growth of a city. The thoughtful citizen should look on the newspaper as his institution, as it is, and aid in moulding it for the betterment of the city and its successful advertising."

"A CITY THAT BELIEVES IN ITSELF CAN CREATE CONFIDENCE AMONG OUTSIDERS. Advertising can sell commodities. It can also sell merchandise. We have the city to sell. If we don't sell it we are lacking in all the elements of salesmanship necessary to success. Those who preceded us knew how to build a substantial structure. The possibilities today are beyond comparison greater. This is the time to advertise."

Mr. Milton makes several points in those few paragraphs that are worthy of serious thought. Strangers here, more than elsewhere, do form opinions of this city from copies of newspapers and there has been no form of publicity so widespread as The Glendale Evening News.

Further, there has been no one institution here which has done more in moulding opinion for the betterment of the city. In saying this there is a certain amount of pardonable pride, but we are sure the advertisers who have made these columns possible will agree that it was the confidence in the future that brought them to the realization of selling merchandise through their "home town" newspaper.

Evidence that this is the time to advertise may be found in each issue, any one of which is a credit to a city of upwards 25,000 population.

In striving to bring buyers here, it is well that merchants appreciate a psychological discovery in salesmanship attributed to a Pasadena motorcar dealer.

It does not pay, according to his experience, to have larger automobiles displayed on the same floor with others. The comparison is confusing to the customer. Where they would be satisfied with either one under other circumstances customers become coquette.

As a result this dealer has found it pays to have separate showrooms and when his salesmen find the prospect cannot be satisfied with the cheaper or costlier car, then it is time for them to see both.

Application of this idea will aid local merchants in both their advertising and actual transactions.

Today the government is taking its first action to prevent a nationwide railroad strike. Federal district attorneys have been summoned to Washington to confer with Attorney General Daugherty.

On the brotherhoods' side of the fence the declaration is that the railroads will have to make concessions far greater than they have considered if they wish to avert the strike. It may be that all parties concerned will get a few surprises within the next ten days for necessity is the mother of invention.

And it is about time someone discovered effective means for preventing national calamities such as the one now threatened.

## POWER OF PRAYERS SAVES LIFE, SO PASTOR SAYS

Minister, Near Death, Visits Hospital, Has Operation, Preaches on Sunday

Before a congregation that completely filled the Seventh-day Adventist church at the regular services Saturday morning, Rev. D. L. Dean, formerly of Seattle, Wash., occupied the pulpit and told how his "faith in the Lord had helped him in recovering from a very serious operation for the removal of a large tumor," the operation having been performed September 8 at the Glendale Sanitarium and Hospital.

Based on the fourth chapter of Daniel, verses 7-21, Rev. Dean gave a very impressive message, saying in part:

"I have no excuse to offer you this morning for intruding myself upon your presence, except that I was in the way of the Lord and He directed me to His House. Particularly do the following lines from the chapter I have just read apply to my recent experience. For my vigor and manhood was turned into corruption and there remained no strength in me."

### Gives Up His Work

"More than eight years ago my vigor failed me and I went down rapidly. I tried to keep up courage, but it was with a feeble body. For two years I had charge of the services of the church at Tacoma and afterwards assisted in the juvenile court in Seattle. The work was interesting and was replete with results, and the boys responded heartily. But I was finally forced to give up the work, and it almost broke my heart to lose the companionship of those boys who were doing their best to go straight."

"I was advised to come to southern California and for a while visited a neighbor in Pasadena. My condition finally became so aggravated that I did not want people to see me. I went to the woods, up in Arroyo Seco, where I lived alone with God. Those who had charge of leaving me alone were alarmed at what might happen to me, but I trusted in God. While I was there alone I was corresponding with my daughter in Seattle to secure a resting place for my ashes."

### Power of Prayer

"I went to Los Angeles one day and while there met my brother in the ministry, Dr. Maile, who expressed a desire to come up and stay with me in the woods. Two days later he arrived, and while there in his companionship we both realized the ministry of prayer, and there alone night after night we prayed out in the open, under the stars of God, in the sanctuary of God."

"Six weeks of this fellowship, during which time we cooked our food over a camp fire—and you should have seen the kind of pancakes we made—and one morning Brother Maile came to my cot and wanted me to go to the Glendale Sanitarium and Hospital to see what prospects there were for my recovery."

"I had been examined thoroughly in Los Angeles, and by the county medical board, and the doctors were not sparing of their valuable time, but there was not given a ray of hope. I came to Glendale as Brother Maile suggested, and there, after another examination, I was told that they would do the best they could for me, and the rest was in the hands of the Lord. I was willing, and on September 8 was operated on, a prayer guiding the hand of the surgeon."

### Large Tumor Removed

"The twenty-ounce tumor was removed from my chest and the place healed up nicely, though there is still an occasional soreness. I have been a Christian for fifty years and for the past thirty-five years I have preached the word of God, and today I feel younger than when I first began to preach. I feel young enough to go to the end of the world to preach God's word, if He cares to send me."

Rev. Dean then closed his sermon with an exhortation to all to accept the word of God.

The services were preceded with an announcement of Dr. Burrows concerning the work of the schools and the offering that was needed to maintain them. The schools now have twelve grades and 175 pupils.

An instrumental trio composed of Mrs. Burrows, violin, Mrs. William Johnson, piano, and E. J. Moore, cello, very beautifully played "Venetian Serenade," by H. Wakefield Smith, after which the choir under the direction of C. H. Jones sang, "The Gates of Righteousness," by Fred Fillmore.

At the conclusion of the services, Rev. Dean was warmly congratulated by the congregation. He is still a guest at the sanitarium, and is extremely grateful for the consideration that has been given him, he says. Evangelist Fred Paap from Kansas was in attendance at the services Saturday.

## BROTHERHOOD GIVES CHURCH SERVICES SUNDAY NIGHT

Local Men Take Part; Talk in Morning Is Made by Rev. E. Hoskyn

The Brotherhood of the First Methodist church conducted the evening services yesterday with W. N. Bott, C. D. Lushy, L. C. Leeds and W. F. Tower taking part. The music also was a feature of the services. Rev. E. Hoskyn delivered the sermon in the morning. He said in part:

"We cannot know God from the world of creation. The universe is the material house he has builded. We do not know an architect from a study of his work, neither can we know God from the things He has made. We cannot know Him from the Scriptures. These simply inform us concerning Him. We cannot know an author from reading his biography or studying his books."

"To know one we must come into one's presence, acquaint ourselves with one. To know God, we must come into His presence, enter into communion with Him, meet the conditions of eternal life and God will reveal Himself to us as He does not unto the world. We will know His attributes of love and forgiveness."

### Must Repent and Believe

"We may enter the Spiritual Kingdom with as much certainty as we do the lower spheres. The processes of natural law are no more regular and stable than those of spiritual law. It is a fatal mistake to presume that spiritual life can be obtained outside of spiritual law. He that would have eternal life must repent and believe on the Lord Jesus Christ."

"Life is not mere existence. It is a principle of the Divine nature. Each thing takes its life up to the measure of its capacity. Its capacity of life is the measure of its knowledge. In the animal kingdom we may readily trace the varying degrees of life. The life of the bird is larger than that of the worm; the life of the horse, than that of the bird; that of the child than that of the horse. The life of the child widens with the increase of its knowledge. The cultured man lives a larger life than the ignorant man. Eternal life enters another realm and embraces a knowledge of God."

Ending a two-year vacation, Valentine Geyser in Yellowstone National park now spouts twice weekly in the Norris Geyser basin.

## ARREST TWO; SEIZE LIQUOR

Emilio Ramalli and Walter Rianda  
were arrested and 120 gallons of  
wine in their motorcar seized while  
they were passing through Glendale  
Sunday on the San Fernando Road.  
Motorcycle Officers Walter Traut-  
wein and Merle Collins and Patrol-  
man T. Herda made the arrests. Ra-  
malli and Rianda were turned over  
to the federal prohibition enforce-  
ment officers to face charges of  
transporting liquor without a license.  
It is believed that the stock came  
from a winery in the San Fernando  
valley.

## DR. HELEN MCCLAIN DEAD

Dr. Helen T. McClain passed away  
October 24 at a local hospital at the  
age of 60 years. She was a graduate  
from the St. Louis college of Phys-  
icians and Surgeons and also of the  
Denver College of Osteopathy. Dr.  
McClain has been a resident of Glen-  
dale just a few months. She leaves  
one daughter, Mrs. A. V. Royston of  
727 1/2 Whittier street, Los Angeles.  
Funeral arrangements will be an-  
nounced later awaiting telegrams  
from relatives in the east. Jewel  
City Undertaking company in charge.

Paper barrels are being manufac-  
tured in Canada. Preparations are  
under way to make them suitable for  
the shipment of flour, dyes, lime, su-  
gar, lard, butter and other goods.

recorded but is a heroic poem of its  
sort, rined or unrimed.—Carlyle.

## Mr. and Mrs. G. Moore Hosts to Live Cole Class, annual Party

About a score of the members of  
the Live Cole class of the First  
Christian church Sunday school were  
present last Friday night at the home  
of Mr. and Mrs. Guy Moore of 1532  
East Colorado boulevard, who acted  
as hosts to the class at its annual  
Halloween party and "get-together."  
The affair, which was given as a  
"Calico Dress and Woolen Shirt"  
party, was unique in the fact that  
the merry-makers had to enjoy them-  
selves in the two front rooms of the  
home, the only article of furniture  
being a large stove. The guests were  
seated about the appropriately deco-  
rated rooms in true Chinese style,  
with large pillows substituting as  
chairs.

Prior to the games and other en-  
tertainment of the evening the mem-  
bers held a brief business meeting,  
the principal subject brought up be-  
ing that of securing funds for the  
purchase of furniture for the class  
room in the new church building.  
After a short discussion it was unani-  
mously decided that each member of  
the class would "do his bit" by titling  
for an entire week, the money  
collected from this source to go to  
the furniture fund.

Announcement was made of an all-  
star entertainment of pantomimes,  
vocal, operatic and instrumental  
numbers which is to be conducted by  
the class on Tuesday evening, Novem-  
ber 1. The complete program, which  
will consist of a number of high class  
acts, will be given out in the next  
few days.

Those who attended the party on  
Friday night were Mr. and Mrs. R. B.  
Carlock, Mr. and Mrs. Harry A.  
Marple, Mr. and Mrs. Homer B.  
Miller, Mr. and Mrs. Forest Cole, Mr.  
and Mrs. H. A. Green, Mr. and Mrs.  
J. C. Hammond, Rev. C. C. Cole and  
Mrs. A. L. Bolton.

## Glendale Leads in Development Work of Pacific Telephone

Glendale takes first place in the  
Pacific Telephone & Telegraph com-  
pany's statement of development in  
the October number of the Pacific  
Telephone Magazine. This city shows  
16.13 per cent increase since Janu-  
ary 1, 1921, with Van Nuys second.  
Burbank also stands high in the list  
being outstripped only by Anaheim,  
Auburn, Inglewood, Avalon, Calif.,  
Tremont, Ore., and Sparks, Nev.  
Fred Deal, local manager, feels  
proud, indeed, of Glendale, Van Nuys  
and Burbank, as they are all in his  
district. A score of the 200 ex-  
changes reported show a decrease  
this year, principally in the state of  
Oregon. Brawley, in the Imperial  
valley, is just holding its own, while  
Calxico and El Centro show losses.

The average per cent of gain in all  
classes is 4.22, showing Glendale to  
be four times more prosperous than  
most communities on the coast.

## Angelus Park Branch Offices Increased, so Brisk Is Business

Rigali & Veselich, realty dealers,  
Los Angeles, who have placed the  
Angelus Park tract on the market,  
will soon establish two more branch  
realty offices on the tract, it is an-  
nounced by G. M. Fay who has  
charge of the tract office at the  
southwest corner of South Brand  
boulevard and Seneca street. The  
offices will probably be established  
some time next week it is stated. One  
will be at Boyce street and Brand  
boulevard, the other at Revere ave-  
nue and Los Feliz road.

Work has been hurried along on  
the street improvements of Revere  
avenue, says Mr. Fay, and the side-  
walks and curbing will be finished  
this week by contractor J. W. Galer  
of Burbank.

Building activity, Mr. Fay says,  
continues as brisk as ever on the An-  
gelus Park lots and by Christmas  
several families will be settled in  
their new homes on the tract.

## Six Store Building Construction Work Is Now Under Way

Construction work on six store  
buildings on the Betz-Daniels & Bor-  
thick property on the east side of  
South Maryland street in the 100  
block has been started. The struc-  
ture will be a one-story brick build-  
ing, 60 by 116 feet, and will be com-  
pleted by about the first of the year,  
H. E. Betz stated.

"Most of the store buildings have  
already been leased," said Mr. Betz.  
"This is the twenty-fourth building  
in Glendale that I have done the ma-  
son work for this year," he added,  
and Mr. Daniels has done carpenter  
work on thirty-eight stores in the  
city. Glendale is growing and there  
doesn't seem to be any let up in its  
progress."

## J. C. Bear, Father of Mrs. J. L. Murphy, Is Taken by Death

J. C. Bear, father of Mrs. J. L.  
Murphy of 305 Stocker street, and  
who passed away at a local hospital  
Tuesday night, October 18, 1921, was  
laid to rest Friday afternoon in the  
San Gabriel cemetery, Alhambra.  
Funeral services were conducted by  
Rev. Atwill, Episcopal minister, at  
the chapel at the entrance of the  
cemetery. During the services Miss  
Atwater of Alhambra sang "Lead  
Kindly Light" and "Abide With Me."  
Mrs. Major presiding at the organ.  
L. G. Scovren Undertaking company  
was in charge.

## BACK TO BETHEL IS SUBJECT OF TALK BY REV. EDMONDS

Folk Should Return to Faith of  
Fathers, Is Declaration of  
Pastor in Sermon

At the Presbyterian church Sun-  
day morning the pastor, Rev. W. E.  
Edmonds, used as a text the words  
of God to Jacob, "I am the God of  
Bethel," (Gen. 31:13), referring him  
back to the time in his young man-  
hood when at Bethel he had met God  
and covenanted his life and service  
in return for God's helping care. A  
resume follows:

In the past experience of every  
believer there are sacred spots.  
Sacred graves; sacred resting places  
—"the Lord was there." And these  
places in the christian faith—Christ-  
mas with its manger, Bethany and  
the loved household, Calvary with all  
that it means, Olivet with the Ascen-  
sion and "This same Jesus shall so  
come again," Patmos with "Surely I  
come quickly. Even so, come, Lord  
Jesus!" These are blessed and  
sacred memories.

So Bethel was such a place. Re-  
member, first, Abraham there. And  
now Jacob was come back again to  
the place of his old vow, and at that  
place God met him. There is a spiri-  
tual significance to Bethel. What  
does it mean to you to go back there?

## Faith of Fathers

First, it means going back to the  
faith of our fathers, to the place of  
those who believed God meant what  
He said. There are too many who  
are afraid or ashamed to stand there;  
they think it "out of date." We do,  
indeed, live in an advanced day and  
are progressive. Yet we shall resist  
with all our power efforts to get us  
away from the foundations by some  
other revelation. We want no sub-  
stitute for the gospel of Jesus Christ.  
The Word is forever the same. Again,  
back to Bethel means back to our  
early faith. "The Cross is no place  
for a christian to stop?" Oh, but  
there are many professed christians  
who really have not made any pro-  
gress beyond there; you need to get  
back to the Cross and get assurance  
beyond shadow of doubt, your Bethel,  
and then come along from there over  
again. We live in a busy world, the  
voice of God is drowned out, so we  
need a holy quiet hour when we shall  
see God.

Back to Bethel means back to the  
place of our forgotten vows. "Jac-  
ob, do you remember that place of  
your vows? Your trouble there and  
your promise? You forgot; here are  
those idols among your things." Are  
there any idols in our homes? Pos-  
sibly; perhaps even a little child;  
maybe a desire for money, position,  
power. "Oh, tear out the idols! Peo-  
ple let the least little thing take the  
place of an idol and prevent God's  
service. You expect God to be hear-  
ing you—get back to Bethel, all you  
who have made your vows to God.

## Back to God

And again, back to Bethel means  
back to God. Not to an experience,  
or anything else, but to God Him-  
self. The God we serve is a living  
personality, with a supernatural in-  
fluence in our lives. Jacob, clever  
man that he was, one who could do  
things and make money, when he  
came back to this place again called  
it "Bethel." "The God of the House  
of God."

It is told of Henry Grady that he  
was in a city and swamped with busi-  
ness. (There is where the devil gets  
in his work). Feeling his need he  
said, "I'll go back home to mother."  
Back to New England he went to  
her; he sat on a little stool at her  
feet, to hear the simple old founda-  
tion truths. He said, "I want you to  
put me to bed just as you used to,"  
and she did, and tucked him in and  
he prayed his childhood prayer,  
"Now I lay me." A few days there,  
and "I must go back now; my little  
trip home to mother has steadied me."  
Oh, back to Bethel, back to the  
faith of our mothers and fathers!

When you get back to Bethel to-  
day, stay there! The way is still  
open, now is the accepted time.

## Plenty of Signatures Given in Support of Chiropractors' Bill

"We have obtained enough signa-  
tures in the south alone to put the  
chiropractic initiative bill on the  
ballot at the general election in No-  
vember of next year," declared Dr.  
Albert Vack, 105 South Maryland,  
this morning. "The petitions are  
now in the hands of the attorney-gen-  
eral at the state capital. We haven't  
received the full report from the  
northern part of the state yet. The  
people will have a chance to vote  
upon whether chiropractors should be  
regularly licensed or not."

"The chiropractors are supporting  
the effort of the osteopaths to re-  
ceive their licenses through a sepa-  
rate state examining board."

## Glendale Shrine Club Now Being Proposed

James M. Rhoades, secretary of the  
Chamber of Commerce, is circulating  
petitions to organize a Glendale  
Shrine club, a branch of Al Malaikah  
of Los Angeles. It is planned to get  
the local Shriners together once a  
month and hold a Shrine ceremonial  
here.

A large delegation from Glendale  
attended the ceremonial which was  
held at Orange county park last Sat-  
urday which had 4000 members of  
the Masonic order in attendance.  
Anyone qualified wishing to join  
the club should see Mr. Rhoades at  
115 West Broadway.

## MUST PAY PENALTY FOR WRONG, SAYS DR. H. C. FUNK

Lutheran Pastor Tells About  
'The Element of Truth in  
Christian Science'

We are assured that Christian  
Science offers regeneration by tuning  
up your vibrations to a pitch of cos-  
mic harmony; but I am here to tell  
you that as long as you do things  
that nature forbids, breathing im-  
pure air with cramped lungs, eating  
poisonous foods and living wrong  
life, you must pay the penalty.

This statement was made yester-  
day morning at the First Lutheran  
church by Dr. H. C. Funk who took  
as the text of his sermon: "The Ele-  
ment of Truth in Christian Science."

A few extracts from his message fol-  
low:

"Our New Thought advocates de-  
clare that 'affirmations' will cure  
what ails you; they won't—they only  
cure the things that don't ail you.  
The Great Physician and Divine  
Healer recognized the therapeutic  
value of sun, air, water and fasting.  
Nowhere does he recommend poison-  
ous drugs.

"Some Truth" He Says

"There is some truth in Christian  
Science. It does cure some kinds of  
diseases; namely, such ailments as  
yield to mental and spiritual sug-  
gestion. Many a man has been  
healed by suggestion who never  
thought of such a thing as Christian  
Science. The same element of truth  
may be found in every church—and  
without the vagaries of Eddyism.  
Many of our own ministers could cite  
more cases of remarkable healing  
than Mrs. Eddy ever knew.

"We must distinguish between  
mental and nervous disorders and  
such diseases as cancers, tumors, tu-  
berculosis, diphtheria, scarlet fever,  
etc., for these certainly require a  
physician's care. That nervous trou-  
bles may be cured without the aid of  
a physician's drug is evident.

"It Is Human to Err"

"We are far from believing with  
some that the late Mrs. Baker Eddy  
was an ally of the evil one. It is  
human to err. And this woman, de-  
spite her claims to divine inspiration  
and her former demand upon her fol-  
lowers to be called 'mother,' has been  
found subject to the infirmities of  
the flesh.

"Mrs. Eddy said that she united  
with the Congregational church at  
the age of 12, and tells how she reas-  
oned with the church officers con-  
cerning error in the creed. The re-  
cords show that she was not a child  
of 12, but a young woman in her  
eighteenth year—demonstrating a  
desire to compare herself with Jesus  
in the temple.

"At the time of her third marriage  
she was 56 years old, but the record  
at Linn shows that she gave her age  
as 40. She tells how she fell on the  
ice at Linn in February, 1866, and  
that she was given up to die, but rose  
on the third day with this marvel-  
ous revelation of Christian Science.

What Doctor Declared

"The doctor who attended her  
swears that he never thought or said  
that she would die, that he never  
considered her case at all fatal, that  
he attended her on the third day,  
the fourth day and other days fol-  
lowing and that beyond a gradual  
recovery there was no marked  
change.

The Rev. Dr. Funk called atten-  
tion to the word "save," which re-  
fers to the soul, and not "heal,"  
which refers to the body, in the  
Christian Science text from St.  
James, the physician: "And the  
prayer of faith shall 'save' the  
sick."

## Famous Soprano Will Be Heard In Opera at Glendale Theatre

Prominent among the songbirds to  
appear with the Sonora Grand Opera  
singers is beautiful, stately Beatriz  
Pizzorni, dramatic soprano, whom  
music lovers will remember as Leo-  
nora in "Traviata," as presented  
by the Sonora Grand Opera company  
last season.

Miss Pizzorni was born in Milan,  
Italy, her mother being Madame  
Gini, one of Italy's great singers, and  
who won fame by her remarkable  
creation of Gioconda. Her father  
was Tenor Pizzorni, one of the best  
teachers of singing in Mexico City.  
Beatriz Pizzorni made her debut in  
Mexico with Tosca in 1915, and not-  
withstanding her youth she sang to  
instant success. Since that time she  
has portrayed the principal roles in  
every well-known opera which calls  
for a dramatic soprano, much of  
this time having been spent as lead-  
ing soprano with the Sonora Grand  
Opera company on tour in the prin-  
cipal cities of the United States, Can-  
ada, Mexico and South America.

Many nice things have been said  
concerning this young artist by emi-  
nent musical critics throughout the  
United States, where she has been re-  
ceived with open arms by those who  
know and recognize the wonderful  
qualities possessed by her.

Miss Pizzorni is one of the prin-  
cipal stars of the Sonora Grand Opera  
company who will present a program  
of operatic and popular selections at  
the Glendale Theatre for an engage-  
ment of two days starting Wednes-  
day. This will be in conjunction  
with the regular feature picture pro-  
gram, with change of program each  
day. She will sing arias from her  
greatest operatic successes and the  
many music lovers are looking for-  
ward enthusiastically to this musical  
treat.

To be a good patriot a man must  
consider his countrymen as God's  
creatures and himself as accountable  
for his acting toward them.

## Practical Messages Being Delivered by Rev. W. E. Edmonds

"And Jehoshaphat waxed great ex-  
ceedingly and he built in Judah cas-  
tles and cities in store and he had  
much business in the cities of  
Judah."

Glendale contractors and business-  
men were interested in a biographi-  
cal sketch of "Jehoshaphat, or a good  
man in the wrong place, given by  
Rev. W. E. Edmonds at the Presby-  
terian church last night, following  
an organ recital and song service.

Jehoshaphat was one of the most  
powerful kings of Judah mentioned  
in the Old Testament. He came to  
the throne when 35 years old and re-  
igned for twenty-five years in Jeru-  
salem. During the early part of  
his rule, he had "riches and honor in  
abundance" and was "favored be-  
cause he walked in the command-  
ments of the Lord" and was so pros-  
perous that surrounding kings feared  
to make war upon him. Philistines  
brought him presents and tribute of  
silver and the Arabians gave him  
7700 rams and the same number of  
"he-goats." Later in his career, he  
joined a wicked king of Israel and his  
glory departed.

This sermon is the first of six prac-  
tical Sabbath evening messages by  
Rev. Edmonds. The other subjects  
will be: "Joash, or The Bad End of  
a Good Beginning;" "Assa, or The  
Fatal Failure of a Well Meaning  
Life;" "Rehoboam, or The Peril of  
Unkindness and Pride;" "Ahab, or  
The Wickedness of Weakness;"  
"Jehu, or Zeal Without Godliness."

cial importance, have been crushed

## H. A. Faulkner Says Business Is Steadily Improving Everywhere

"Business is improving steadily." That is the statement of H. A. Faulkner, advertising manager of the Moreland Truck company at Burbank, who resides at 207 West Maple avenue. The turn toward normalcy has been apparent for two months among the Moreland dealers, he adds, and the company is now making plans to meet the increasing demands for motor transportation by increasing their production force.

"We expect to be running full time by January 1 and we are now working on a production schedule for 1922 that is larger than ever attempted before.

"The cause for this is illustrated in the repetition of orders we are now receiving, one shipment being made last week to Dean & Co., a transportation concern operating between Amapala and Tegucigalpa, Central America, the latter city being the capital of the newly formed union of three Latin American countries.

"Three trucks were shipped, one a passenger and baggage carrier and the others freighters to carry goods inland to Tegucigalpa from the coast, this town being the only capital in the western hemisphere that is now connected to a port by railroad.

"A fleet of eight or ten more Moreland trucks are used exclusively for the transportation service because they stand the grind of unimproved mountain roads. The last shipment represents an investment of \$30,000 as each of the three machines are reinforced with special transmission case, special motor and special reinforced frames."

## WITH HARPER AND CRAIG

T. G. Keyt, 900 East Harvard street, who has been connected with the realty firm of Harry M. Miller, 114 East Broadway since his coming to Glendale several months ago, has become associated with the realty firm of Harper & Craig, 102-A East Broadway.

## GUESTS AT SUNDAY DINNER

Mrs. Ellen Earley of 519 East Palmer avenue entertained as her Sunday dinner guests Mr. and Mrs. Maurice Burke and daughter Maurine.

Harnessing a volcano to provide power for manufacturing is the plan of a committee of manufacturers in Hawaii. Kilauea volcano is giving off vast quantities of heat, ranging as high as 2,000 degrees Fahrenheit. It is believed this heat can be developed into steam pressure from which electricity will be derived.

## 'Rider of the King Log' Is Attraction Featured at Glendale

"The Rider of the King Log," the Associated Exhibitors presentation of Holman Day's production of his own novel, shown yesterday for the first time at the Glendale Theatre and continuing today is a drama of adventure and romance so interwoven with the natural beauties of Maine and the great outdoors, that the very rivers seem to be playing the part of great silent friends.

The story is woven about the picturesque figure of old Kavanagh, "Rider of the king log." Next to his great love for his motherless daughter, is his love for the timberlands. His river rights are usurped by a wood pulp corporation, and it is a fight, with victory for the best man.

But death claims him in the midst of his courageous stand. However, the spirit of the Kavanagh lives on in his daughter, Clare, who is given considerable aid by Dan Cupid.

Many spectacular thrills are provided by the blowing up of dams and the resultant mad rushing of the log jam down the river. Every season of the year in the north woods is shown, and every phase of lumbering, yet never once does the picture forget itself in the beauty of its surroundings or let up in the tensility of its drama.

Splendid acting is done by Frank Sheridan, who as the Kavanagh, steps out of the pages of the book.

Pathe News showing scenes from Soviet Russia and a clever comedy complete the bill. Tomorrow's vaudeville, both matinee and evening, is headed by Dan Cervo & Co. in a musical act with four supporting numbers.

## Governors Decline to Take Stand on Strike

DES MOINES, Iowa, Oct. 24.—Governors of six middle western states, in conference here, declined to take definite stand on the threatened nation-wide railroad strike. Instead, they went on record for the following:

Respect of clauses in the Cummins-Escal bill guaranteeing a six per cent interest on their valuations.

A substantial reduction in freight rates.

Congressional action favoring reduction in federal reserve bank discount rates.

Limitation of armaments.

Collection by the United States of interest on its foreign loans annually.

## Lack of Light at Baptist Church Is Cause No Service

Light, or rather the lack of it, interfered with last night's services at the First Baptist church. Just before the convocation the electric lights went out and the Rev. Mr. Ford was obliged to dismiss the congregation.

The same inconvenience occurred last Sunday night when portable lights were brought into use. Steps are being taken this week to see that the wiring is in good order for next Sunday night when Rev. Ford will lecture upon the question, "Is Russellism Right in Promising a Second Chance?"

Rain could not dampen the ardor of Baptists, the attendance being large.

## BUSTER BROWN SHOES NOW

## ENTERTAIN WITH DINNER

Mr. and Mrs. E. P. Hayward, 525 Pioneer drive, entertained Mr. and Mrs. Hillis Houston of Los Angeles at dinner Sunday night. Mr. and Mrs. Houston recently came to Los Angeles from Seattle, Washington.

## Exclusive Optical Shop to Be Opened by Dr. A. Cronise

Dr. A. J. Cronise, a newcomer in Los Angeles county, this morning announced that he was remodeling quarters at 200 West Broadway and about the first of November intended to open an exclusive optical shop.

For the past twelve years Dr. Cronise has been an optician and optometrist at Santa Barbara. He says that he likes Santa Barbara, but that "it has gotten too dead over there, generally," although he had no complaint about his own business. He says that he has always desired to live in the foothills near Los Angeles.

Both Dr. and Mrs. Cronise are much pleased with Glendale. They are stopping in Los Angeles temporarily until they can obtain suitable living quarters here.

## SPORTS CHATTER

By BILL UNMACK  
PACIFIC SPORTS SERVICE

Never in the football history of the Pacific coast have followers of the gridiron sport been offered as fine a series on eastern and western football as the Pacific Sports Service will supply readers of this paper during the next six weeks. Franklin B. Morse, of the Pacific Sports Service, has gone east specially to cover eastern football for The Glendale Evening News.

Morse is former Princeton half back and All-America selection of Walter Camp. No football writer in the country is as well equipped to comment on eastern and Pacific coast football as Morse. He knows the play of every large college team on this coast and will analyze their plays and compare teams of the coast with Yale, Harvard, Princeton, etc. He will particularly watch those eastern teams which are in line to play at Pasadena January 1 against the Coast college champion team. Morse's first article will appear soon. Watch for and read the entire series.

Oregon Aggies have unearthed a giant for tackle on the gridiron in the person of B. Griffin. He is considerably over six feet and weighs 245 pounds. When he reported for freshman practice Coach Hubbard was nonplussed. "I never knew they grew that big," said the coach. This brings to mind a number of years ago at Astoria, Oregon, Chauncey Bishop played guard on the school team weighing more

than 240 pounds. Later he went to New York and played on the Columbia varsity team as a regular and was one of the big men of the day. Another instance of big men is the case of the famous Bill Edwards of Princeton, but he lacked several pounds of the weights of Griffin or Bishop.

The University of Washington has called its track and field men out for fall training. Coach "Hec" Edmundson is working his distance men regularly and other men have their work until Thanksgiving day when the weather will force a postponement until spring.

Coach Walter Christie of the University of California also has some of his squad working. Many of Christie's stars are on the football squad.

The loss of "Brick" Muller to the University of California varsity team is more of a loss than is generally thought. It is said that California has three or four good men for each position on the team. It has, but there are not that many "Brick" Mullers in the country. It is doubtful if there is another such adept on hurling forward passes in the country. We know he has no equal on this coast. The man who can hurl a 50-yard forward pass is a phenom to say the least, and that is what Brick has done, not only against Ohio state but on other occasions.

## The WORLD OVER

By FRANKLIN B. MORSE  
PACIFIC SPORTS SERVICE

CHICAGO, Oct. 24.—On the train from San Francisco I met an old-time University of Illinois football star. Among other things, we compared notes on thrilling episodes of the gridiron. It is a generally conceded fact that one of the most thrilling episodes that can occur on a football field is the victory snatched from defeat in the last few moments of play. Almost every year there is some incident of this sort which stands out prominently.

My Illinois friend called my attention to one of last season's heroes in this episode incident. He is Allan Davey of the University of Wisconsin. Davey not only figured in one of these spectacular events, but, for good measure, pulled off two of them. Another remarkable fact is that Davey was only a substitute and was thrust into the game only as a sort of forlorn hope.

His first individual victory was against the University of Minnesota, when he kicked a field goal and won the contest for his team by making the only score, 3-0. He next shattered the hopes of the University of Chicago, when he went into the play two minutes before the call of time with the score 3 to 3. He had hardly gotten into the game when he grabbed a punt and ran sixty yards to a touchdown, making the score 19 to 3 in favor of his team.

Chicago seems to have been the special victim of Davey, for the year before 1919 he made a goal from the field in the fourth quarter when the score stood 0 to 0, thus pulling out a 2 to 0 victory for Wisconsin.

Arthur Poe, Sam White and Franklin B. Morse of Princeton are

## Babe Ruth, 'King of Swat' in 'Headin' Home' at T. D. & L.

"Babe" Ruth, the king of the swat, the sensational slugger of the New York American baseball league team, who broke all records this past season when he established fifty-four home runs, knocked out two homers at the T. D. & L. Theatre yesterday, despite the fact that he was not even in town. "Babe" landed on two different pitchers and banged them without even the slightest crack of the bat being heard. The fact of the matter is that "Babe" made his bow as movie actor at the T. D. & L. in an interesting, pleasing photodrama of six parts entitled, "Headin' Home," a picture that will interest everybody, regardless of whether he is a baseball or just a motion picture enthusiast.

Tom Mix, in his latest whirlwind thriller, "A Rider to Rome," is the other feature on the double program which will be shown again tonight. This is Tom's own story of the best he knows it, and is full of comedy stunts and thrills.

Tonight is "Mothers' Night" again and some very clever children are on the bill. This is proving to be a great treat for the whole family. Everyone enjoys seeing children perform (except apartment house landlords).

Tuesday is benefit day for the Broadway school and the program includes Bert Lytell as "The Man Who" and a "Toonerville Follies" comedy.

## BUSINESS WOMEN TO MEET

The Business and Professional Women's club of Glendale, of which Mrs. Margaret Biggs is president, will hold an open meeting for all business and professional women of Glendale, whether contemplating membership or not, at the girls' gymnasium of the high school Tuesday night. There will be a splendid musical program and social evening, and the ambitions of the club will be explained.

## DEFEAT OF LOCALS BY SO. PASADENA IS THROWN OUT

Player Had No Right In Game According to Rules, Is Decision Announced

Much excitement was stirred up among the members of the Glendale Union high school student body on Friday when Principal Moyse announced at a special assembly that through ineligibility rules of the central league, Glendale's defeat on the football field against South Pasadena on Thursday became ineffective. The entire student body received the news with unreserved enthusiasm and proceeded to give vent to their feelings by trying to raise the roof with their wild exclamations.

The ineligibility rule came into effect merely through an oversight on the part of the South Pasadena coach, and came as a bitter pill for the Tiger students to take. Prior to the game on Thursday the principal of the South Pasadena institution, according to the rules of the California Interscholastic federation, submitted to the coach a complete list of all players eligible to participate in the Glendale contest.

The coach, not noticing that the name of Urnston, his star linebacker, did not appear on the list, played that husky during the first half of the game, and therein lies the story of how Glendale, although beaten, did not lose.

### Play Alhambra Today

Coach Hayhurst gave his charges a much needed rest Friday afternoon, scheduling a three-hour workout on the field Saturday for final preparation for today's game with Alhambra, which will be a play-over from the opening game of the year, when Glendale won by a score of 14 to 0. The game was stricken from the Central league lists also on account of ineligibility rules, which affected both teams.

Although the locals trod over the Alhambras in a rather easy manner in their initial encounter, Coach Hayhurst is not looking forward to an easy time of it this afternoon. Since the opening of the season several of his first string players have been either injured or declared ineligible, and he will go into the Alhambra game with but five of the regulars who started the schedule. Goss, Fraley, Eiffler and Green are a few of those who are counted out of today's fracas.

When you find a beautiful murex who also is a beautiful actress, a beautiful bathing girl and the beautiful third in a beautiful love triangle what a beautiful news combination she makes!

## LOCAL ELKS BATTLE Y. M. C. A. TEAMS IN FRANCES MAGILL IS

ON BOWLING ALLEY  
IN HOME GAMES  
Plenty of Action Now Being  
Displayed by Teams; Many  
Prizes to Be Awarded

The Glendale Elks' Bowling league got off to a flying start last week, with each of the eight contesting teams getting into action and showing the other squads what to expect from now on. Old Man Dope was completely upset in a number of cases, several Class D bowlers suddenly "coming to life" and giving the A and B men a real run for first honors.

The present standing of the various five teams is as follows:

	W.	L.	Pct.
E. Z's	3	0	1.000
Buzzards	3	0	1.000
Terrors	3	0	1.000
Bambinos	2	1	.667
Wizards	1	2	.333
P. D. Q's	0	3	.000
Jays	0	3	.000
K. P's	0	3	.000

Individual game results:

	1	2	3
E. Z's	738	807	831
Jays	663	677	676
Buzzards	719	723	742
K. P's	632	716	707
P. D. Q's	675	739	711
Terrors	815	805	911
Bambinos	626	678	671
Wizards	675	651	650

According to the rules made at a recent meeting of the executive committee of the league the leading teams are to undergo a two-thirds handicap, which method is planned to maintain keen competition from week to week. The only hardship that will be caused from this arrangement will be to those teams who happen to play over their heads, which occurred on several occasions during the opening week.

Run True to Form

The individual players' high average honors, however, ran true to form, with all three of the leaders being classed as "A" bowlers and former members of the recently disgraced lodge first team. The three high men and their averages for the three games were: Huesman, 187; Violi, 184; Ward, 180. Standings and scores for the bowlers in the other three classes will be given out within a few days.

This week's schedule for league play is as follows: Tuesday, Jays and Buzzards; Wednesday, Terrors and Bambinos; Thursday, E. Z's and K. P's; Friday, P. D. Q's and Wizards. Each of these contests promise to be "hummers" from the start to finish, and it is expected that the bowling hall will be crowded with spectators and rooters each night.

The executive committee has announced the distribution of the seven merchandise orders, which were donated by the following Glendale and Los Angeles merchants: Monarch Auto Supply company, Cornwell & Kelly, Jesse Smith, Watkins Candy company, Kaighan Candy company, Robinson's Men's Shop, Park Avenue Drug company, Mason & Legge Hat company (two separate orders), Brunswick-Balke company, Lyman & Lund, Chaffee Grocery company, Claud Caswell, Glendale Music company and Ed Farnum of the Chaffee Grocery company.

The merchandise orders, which will each be for \$5, will be distributed as follows: First, second and third prize the man making the high average in the four classes, A, B, C and D. The remaining prizes are to be awarded as follows: An \$18 bowling ball for the man making the highest individual game, merchandise order for the man bowling most games at his average score, merchandise order for man making most strikes, merchandise order for man making most spares, merchandise order for man making most split spares.

Besides the foregoing list of awards each team is to be given a credit of \$1 for each game won, the prizes to be given out at the completion of the seven weeks' tournament.

Teaching History

George D. McDill, 1451 East Wilson avenue, introduced Dr. Remsen DuBois Bird, who said:

"Much of my time has been spent in teaching history, and I've noticed the following fact. The current of human history does not move like that of a glacier. At times it is melted by some inspiring personality, some mighty discoverer, or some inventive genius, and for a few years the human current flows fast as it melts. And from the debris may be segregated five periods.

"The first was that great day, the coming of Christ, then the days of the barbarians from the north, then the Crusaders of the twelfth and thirteenth centuries, then the great era in modern history, the fifteenth century when political, social and economic institutions underwent such great changes, and now we are in another great period. So much has been and is being said about the present era that it sounds trite to mention it, but yet every institution is influenced.

"It is used to be a reporter on the New York Sun and it was my task to attend the police court, and there I watched the transgressors come up and make their defense. And now different groups are coming up and making their defense.

One of Big Forces

"First there is the church, accused of failing in the great crisis. The public school—it is better equipped than ever, yet the mind in the classroom today is not the mind of twenty-five years ago—it is not as keen or strong. But the Y. M. C. A., by the grace of God, has come through and stands not guilty, and it is not only not guilty, but it is one of the big forces today.

"It demands your effort and energy and support because it has a definite objective, and it is devoted to this idea—that of making men clean. The Y. M. C. A. commends itself to you because it takes the young boy and tries to put something in his soul that rids it of uncleanness. The Y. M. C. A. makes men strong—it says you must go clean, be strong and play the game straight. It declares that you must be right. The Y. M. C. A. is a place where men are asked upon not only to be clean, straight and right, but it insists that men believe.

"And finally the Y. M. C. A. commends itself to you because of its organization. It goes everywhere—into the community, the college, the city, and seeks every man under the shining sun and seeks to give him its power.

"But our spirit has been low, due to the war and other things, and we need to gear up, tighten up the bolts, and the time to do it is now. And the way to do it is through the Y. M. C. A. Get in touch with it and its district secretary, Rex C. Kelley."

## Germany to Apply for New Plebiscite, Report

BERLIN, Oct. 24.—It was reported in political and parliamentary circles that Germany will appeal to the entente for a new plebiscite in Upper Silesia. Leaders of the movement cite the Versailles treaty in their contention that Upper Silesia should go undivided either to Germany or Poland.

## BRIDE; CEREMONY AMID FLOWERS

Charming Glendale Girl Wed  
to Walter Pieper in Home  
of Parents on Saturday

Miss Frances Sarah Magill, daughter of Mr. and Mrs. W. E. Magill of 457 West Colorado street, was married Saturday night at the home of her parents to Walter Pieper of 216 South Central avenue, Rev. Clifford A. Cole, pastor of the Christian church, officiating.

The wedding ceremony took place at 8 o'clock in front of the fireplace in the living room of the parental home in the presence of a group of relatives of the young couple. A large picture of the bride's mother when the latter was a bride was hung over the mantel of the fireplace. A heart of pink chrysanthemums topped the picture and from this were draped garlands of yellow and rust-colored chrysanthemums.

Bower of Flowers  
An artistic screen of sword ferns and yellow chrysanthemums had been placed at either side of which had been placed bowls of the yellow blossoms. Vases of pink and white cosmos were placed in the corners of the room. The archedway between the living and dining rooms was also draped with the yellow chrysanthemums and greenery.

The bride was attractively attired in a gown of dark blue crepe de chine embroidered in gray and henna. She was given in marriage by her father. The ring ceremony was used.

Following the ceremony a sumptuous wedding supper was served, which included a very large and most attractively decorated wedding cake.

Those present included Mr. and Mrs. Earl Stacy of Alhambra, Mr. and Mrs. George Pieper of Los Angeles, Mr. and Mrs. Stanley Collum and daughter Dorothy, Mrs. Frances Mink and daughter Evelyn, Fletcher Keefer, Mr. and Mrs. Donald Magill, Mr. and Mrs. W. E. Magill and Rev. Cole.

Purchase New Home

The young couple will be at home to their friends after November 1 at 418 West Oak street, where they have purchased and furnished a cozy home.

Mrs. Pieper has been a resident for a little over a year, coming here from Bay City, Michigan, and has been employed with the Glendale Groceries.

Mr. Pieper is connected with the Glendale branch of the Southern California Gas company and has resided in Glendale about a year. His former home was in Chicago, Ill.

## Augusta L. Barnes to Open Dressmaking Shop

A dressmaking shop which will cater to the needs of the well-dressed women of Glendale is being opened at 119 Arden avenue by Augusta L. Barnes, who for the past twelve years has conducted a similar shop in Los Angeles known as the Augusta L. Korn dressmaking establishment. She has now closed her Los Angeles shop, although still retaining some of her assistants, and has decided to locate in Glendale, being another ardent believer in the great future which is ahead of this city.

## SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it dardens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Advertisement.
